

CINDY AMBRIDGE

Intimacy Coordinator (SAG-AFTRA certified)
Certified Wellbeing Coordinator

I am an internationally certified Intimacy and Wellbeing Coordinator whose practice is built on rigorous professional development far exceeding global certification requirements. I bring a structured risk-reduction approach grounded in a professional background in dance, psychology, and wellbeing. I now integrate these transferable skills with stage and screen experience across smaller productions. I am actively seeking to contribute at the next tier of screen production within larger studios and production houses offering a unique full service Intimacy and Wellbeing Coordination offering.
